

12 October 2018

Dear Form 2 parents and guardians

This serves as a reminder of the meeting on Thursday 18 October to introduce *Nyatsela* to you.

We invite you to be part of the planning of this new concept which is intended to nurture a particular set of skills required of children in the 21<sup>st</sup> century with its fierce demands. *Nyatsela* is intended to equip your children to thrive in this environment, to develop values and ultimately to move ahead in life. The IB expects learners to be risk takers, inquirers, communicators, principled, caring, balanced, open-minded and reflective, and *Nyatsela* aims to help them develop these characteristics.

Please join us at 5:30pm on Thursday 18 October in the Assembly Hall.
